

## MOTORIZED PERGOLAS LOUVERED ROOF

The Louvered Roof Motorized Pergola is a solid adjustable cover that, with the push of a button, transforms into a pergola style cover that allows light to enter, ventilate and provide a view of the sky. Thanks to its motorized technology, you can personalize your exteriors and create unique outdoor spaces that you enjoy all year round.

### CUTTING-EDGE TECHNOLOGY

The Louvered Roof Motorized Pergola is a sturdy structure with intelligent design and Australian bioclimatic technology that transforms the life of your outdoor spaces.

### CONTROL AND FUNCTIONALITY

With the push of a button, the extruded aluminum sheets can be positioned in a range of 160 ° to provide the exact amount of light and ventilation you require. By closing the slats, they create a waterproof seal that gives you climate control on your exteriors.

### VERSATILE APPLICATION

The Louvered Roof Motorized Pergola adapts to any kind of architectural style, such as existing pitched roof structures, panoramic windows, doors, angled ceilings or walls. They can also be adapted for unsupported applications.

#### BENEFITS

- Protection against climate changes
- Effective water proof barrier
- Sewage system
- Corrosion resistant

#### SIZE

**Custom designs**

## OUR COMMITMENT TO QUALITY

Luxury Screens offers a three-year limited warranty on engines and mechanical parts valid from the date of installation to the original purchaser of a **RetractaView, VistaView, The Horizon and/or SmartScreen Motorized screens**; this does not apply to screen mesh, vinyl, speed reducers or wood finishes. Optional speed reducers are guaranteed for one year after date of installation.

This warranty is not transferable and will remain intact for the original purchaser as long as the product has been installed by one of our authorized distributors and/or our factory-trained installers, and has not been moved or altered in any way.

**Luxury Screens** guarantees that the components of our products will be installed free of material and workmanship defects. "Defects" are defined in this warranty as imperfections that prevent product functionality. Wrinkles on the mesh or gathering along the edges themselves do not constitute a defect.

The limited warranty does not encompass components that are damaged by misuse, abuse, or unauthorized repair or modification; normal wear and tear, lack of maintenance, normal weathering, fading, scratches, corrosive contaminants in the air or applied, natural disasters, or other causes beyond the control of screens, rails, profiles, handles, pulls or **Luxury Screens**.

If a component is defective or assistance is needed, please contact Luxury Screens or our authorized dealers where you made the original purchase.

Keep your receipt, as it will be required for any after-sales service. Also, please consider installation charges for replacement of defective components.
