

DECORATIVE PERGOLAS

Decorative Pergolas are resistant architectural structures, made of PVC, aluminum and steel that give personality to your spaces, enable your outdoor areas, delimit certain areas and give it a specific function. They provide protection, give shade and you can complement them with a tempered glass or glass with a safety film.

STRONG PROFILES

Decorative Pergolas are resistant to environmental factors and corrosion. The PVC ones have self-extinguishing properties. The aluminum ones resist oxidation and steel ones resist moisture. Each material will give different advantages, functionality and style to your spaces.

VERSATILE STYLE

They are the architectural solution that adapts to any and all styles and sizes of spaces. The wood finishes of the PVC designs give a colonial and elegant appearance to your exteriors. Aluminum and steel pergolas give a modern appearance and allow for installation of electric power.

MINIMAL MAINTENANCE AND DURABILITY

PVC Decorative Pergolas require minimal maintenance, are recyclable and are environmentally friendly. The aluminum and steel profiles are very durable, with modern finishes. Each pergola is installed by our team of expert architects.

BENEFITS

- UV protection
- Thermal and electrical insulators
- Safe and durable structures
- Harmonious integration to the area

SPECIAL FINISHES

Wood-like shading

OUR COMMITMENT TO QUALITY

Luxury Screens offers a three-year limited warranty on engines and mechanical parts valid from the date of installation to the original purchaser of a **RetractaView, VistaView, The Horizon and/or SmartScreen Motorized screens**; this does not apply to screen mesh, vinyl, speed reducers or wood finishes. Optional speed reducers are guaranteed for one year after date of installation.

This warranty is not transferable and will remain intact for the original purchaser as long as the product has been installed by one of our authorized distributors and/or our factory-trained installers, and has not been moved or altered in any way.

Luxury Screens guarantees that the components of our products will be installed free of material and workmanship defects. "Defects" are defined in this warranty as imperfections that prevent product functionality. Wrinkles on the mesh or gathering along the edges themselves do not constitute a defect.

The limited warranty does not encompass components that are damaged by misuse, abuse, or unauthorized repair or modification; normal wear and tear, lack of maintenance, normal weathering, fading, scratches, corrosive contaminants in the air or applied, natural disasters, or other causes beyond the control of screens, rails, profiles, handles, pulls or **Luxury Screens**.

If a component is defective or assistance is needed, please contact Luxury Screens or our authorized dealers where you made the original purchase.

Keep your receipt, as it will be required for any after-sales service. Also, please consider installation charges for replacement of defective components.
